

How do we Tithe? By Rabbi Simon Altaf Hakohen

Written: 7th Sept 2011

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians)

Tanak – means the Hebrew Bible from Genesis to Malachi

YHWH - Yahuweh in modern Hebrew script.

Elohim/EI – reference to the Holy One of Y'sra'el the Creator.

HTHS – All quotes using the Hidden-Truths Hebraic Scrolls unless otherwise indicated, this can be acquired from Amazon or www.african-israel.com.

Note, we do not give the gentiles a right to translate and corrupt our scrolls that were given to us (True Y'sra'el). Christendom and their myriads of denominations for far too long have corrupted and misinterpreted our ordinances, commandments and statutes not differentiating between secular and sacred nor separating the clean from the unclean. Woe onto them.

We'Yikra (Lev) 10:10 And that you may distinguish between set-apart and not set-apart, and between clean and unclean.

One of the questions that keeps popping up is the question of Tithe. Believers usually ask is tithing something that we should do today? This area is shrouded in mystery because many people do not understand the ancient order of the Tabernacle worship and the two Temples of Y'sra'el. Many people mistakenly and even ignorantly assume tithes only occurred within the Temple priesthood and think that if there is no Temple then surely there cannot be a tithing system today. We will examine this shortly. The system of Tithe was revealed to Adam and he in turn revealed it to his sons to prosper them while they were outside the perfect condition of the Garden. We find that the first act of bringing in your tithe was performed by Qayin followed by his brother Hebel. Qayin's tithe was not acceptable by YHWH as he did not bring the best of his field but Hebel's was.

Beresheeth 4:3 And in process of time it came to pass, that Qayin brought of the fruit of the ground an offering unto YHWH.

One must now equally and easily able to answer the question that in the ancient time there was no Tabernacle nor a Temple nor any established or revealed national priesthood but what caused Qayin to bring in the tithe?

Beresheeth 4:4 And Hebel, he also brought of the bechorot (firstborn) of his flock and of the fat there. And YHWH had respect for Hebel and for his offering:

One can see that tithing is to be done whether a Temple exists or not and whether a priesthood is visible or not. This matter is actually settled in one verse of Genesis but many continue to argue over this foolishly, foregoing the increases that can be theirs for the taking. Now what was the purpose of Qayin to bring the offering? Was he so smart that he invented something new and Hebel followed suit which brought the two into a confrontation? No, not quite. It is evident that these things were taught to Ahdahm (Adam) and Chava (Eve) through angels but no one seems to pay attention to these things. Adam was the first priest in the Garden.

We know that angels did visit the Garden of Ayden alongside YHWH. What many people also don't know is that all the technology that today we boast about also came with the knowledge of Angels given to men. The angels that fell in rebellion or at least in the first rebellion brought the knowledge of warfare and how to make weapons and gave that to men.

The purpose of tithing is clear which was that these people Ahdahm's family had to live out in the wild so to speak outside the Garden they were taught that by enacting these offerings they would be increased in their holdings and prosper until the restoration of the Garden back. These things are of the Torah and were taught. Although the complete Torah was revealed at Mount Sinai at which time a whole procedure was laid down for tithes.

WaYikra (Lev) 27:30 And all the tithe of the land, whether of the seed of the land, or of the fruit of the etz (tree), is YHWH's: it is set-apart unto YHWH.

Everything given to you belongs to YHWH so you cannot remove yourself and run away from your responsibility. The question is not should you tithe but the question should be who are you going to give your Ten percent or more if you decide to give a Teruma or freewill offering to?

There were at least three tithes.

1st tithe

Debarim 14:27 And the Lewite that is within your gates: you shall not forsake him; for he has no part nor inheritance with you.

The first and foremost tithes goes to the Lewites, today this would be people who are the rabbis, the teachers of the Torah/laws of Elohim. They are not to be forsaken yet today people want to receive free teachings or the ways of the kingdom but refuse to part with their money. Those who do the things against the Torah will also reap it here in this age and more so in the coming world as the same money will be taken from them and given to someone else. I will speak more about the first tithe later which were revealed prior to Mount Sinai. Before the Tent of meeting or Temple this was given directly to the Lewites but during the Temple times it was given to the Temple authorities who would then distribute it to the Lewites and priests.

2nd tithe year by year.

Debarim 14:22 You shall truly tithe all the increase of your seed, that the field brings forth year by year.

3rd tithe every three yearly this was both for the Lewites and for the poor such as widows and orphans and this was to be counted as a special provision.

Debarim 14:28 At the end of three years You shall bring forth all the tithe of your ma'aser (goods) the same year, and shall lay it up within your gates:¹

4th offering is voluntary and is called a Teruma

This particular tithe or voluntarily offering can be given anytime to any one in need.

The Jewish sage Maimonides in Hilchot Maaser, c. 1. sect. 2 tells us that although these are referred to as three tithes but commonly called two tithes. The tithe at the end of the year which was given to the Lewites and from there the Lewites gave a tenth to the priests. The second tithe was eaten by the owners but in the 3rd and 6th year the 2nd tithe was given to the poor.

Debarim 14:29 And the Lewite, because he has no part nor inheritance with you, and the foreigner, and the fatherless, and the widow, which are within your gates, shall come, and shall eat and be satisfied; that YHWH your Elohim may increase you in all the work of your hand which You do.

In the third tithe also called the second tithe the way it was administered to the widows and under privileged.

We must understand that the ancient Y'sraelites were a black agrarian people so really the crops or fruits they grew could easily be translated into money both in the modern sense or even ancient. Also understand that when Europe and America took our black people as slaves from Africa and displaced them they were brought for their agrarian skills since all the growing of crops in America, cotton and other items was done by these people, do you ever wonder why? And remember the term field Nigger? The term that they were meant to remain in the fields doing the chores for the white race in America.

In the ancient times they simply brought in yearly the ten percent tithe to the Temple and gave it in which was used for various purposes. You could easily sell your crop for shekels of silver which was ancient money and you could give that in as your yearly tithe. Today people get paid weekly or monthly therefore they have to translate that into 10% of their take home salary each month.

¹ See footnote Debarim (Deut) 26:12

Who receives Tithe?

Tithe was only ever given to YHWH's teachers the Lewites who were teaching the law of Elohim. Today Churches or Televengical people who collect money to give you a half way house lawless Church would never receive any tithe. It is my opinion that it is forbidden to give any tithes to a church that teaches a lawless gospel. If a church is teaching the law of Elohim and helping poor people such as widows and orphans then they deserve to receive a love offering as long as they are working to bring the kingdom of YHWH into being but the actual tithe still only belongs to the Lewites.

Mainly the tithes today must go to the Torah teachers (Lewites) while the churches that do not teach Torah cannot be the receivers of the tithes. There are the teachers that teach you the law of Elohim. It is these people who work daily to bring the kingdom of Elohim near to people so it is only they that have the ultimate right to the tithes and how the money is spent in the absence of the Temple. If they operate synagogues then tithes should be paid to them. Teruma or love offering can also be given to Torah obedient Synagogues even without Lewites.

When you give, you have given the money to YHWH to increase His kingdom and bring forth His glory and in return He will increase you for faithfulness in that you have believed in Him.

Those of you that are still stuck on the old bandwagon that tithes are finished, let me show you even the alleged Christian Messiah commanded them.

Mattityahu 23:23 Woe to you, scribes and Pharisees, hypocrites! For you pay tithe of mint and anise and cumin, and have omitted the weightier matters of the Torah, judgment, mercy, and faithfulness these you should have done, and not to leave the others undone.

Notice Rebbe Yahushua commends that the tithes that were giving for the cumin, the mint and anise were right. He never said don't do it. Therefore even the New Testament commands tithes.

Debarim 26:12 When You have made an end of tithing all the tithes of your increase the third year, which is the year of tithing, and **have given it unto the Lewite**, the foreigner, the fatherless, and the widow, that they may eat within your gates, and be filled;

The third tithe was not just for orphans as some people think but it was for the Lewites as well.

Abraham gave a tithe and there was not Temple and not even the Tabernacle

Beresheeth 14:18-20 Then Melechzedek king of Shalom brought out lechem (bread) and wine: And he was the kohen (priest) of *the* Most High EL (Power).
19 And he increased him, and said, Increased be Abram of Most High El

(Power), Possessor of shamayim (heavens) and earth: **20** And increased be Most High EL (Power), who has delivered your enemies into your hand. And he gave him a tithe of all.

Abraham had no problem giving a ten percent of tithes while there was no physical Temple.

Beresheeth 28:20 Then Yaqub made a vow, saying, If Elohim will be with me, and keep me in this way that I am going, and give me lechem (bread) to eat and clothing to put on,

Even Jacob vowed to give the tithe and did not hesitate because it was taught long before the complete Torah was given at Mount Sinai.

So what do the Torah teachers do with the tithe?

The Lewites or teachers of the law can do whatever they wish for themselves or their families by purchasing food or satisfy other needs. Since you have invested in YHWH and His kingdom you will receive an increase for that. The money or goods that you give is what YHWH uses to multiply your household with. YHWH sees the obedience in your life and this brings the greater reward for you. If on the other hand you are stingy and refuse to give tithe then YHWH will remove that money from you one way or another. You may have a fall and have to spend money on the doctor, your car broke down or something else happened that caused unplanned money to go out from you. You then need to ask have you dealt in right-ruling.

So next time you join some man or woman who tells you do not give tithe to YHWH's teachers in the absence of the third Temple then beware as it may come back to bite you. You are not saving but you are going to lose that money somewhere else so get your heart straight before YHWH.

I often hear people who say they are happy to be saved but they rarely want to give out of their finances to help further the work of the kingdom. Next time you meet a torah teacher who is going out of his way to do kingdom work he should not have to beg others to support him in fact believers should support him automatically with Terumm. I know one teacher who regularly runs into hardship and then he ask for help, there should be no reason for them to do that if people understood their responsibility to the teachers.

When people give they should look at how many needy things are going to be done by their teachers such as giving Bibles to prisons, sending books, helping the poor and needy in the third world who are our brothers but rarely do people think. We are not all here to take your money, many of us here part regularly with our own earned money and some of us as a result are in debt to banks to borrow to do certain projects such as bible printing. This shows our heart for the kingdom rather than purchase expensive cars and homes we purchase bibles to send out but rarely do we get thanks for that. In fact some people write asking silly questions like why do you charge for your books. One can see that the

printers are not our relatives and even if they were would they give us free printing? Unfortunately this is the kind of immaturity we have to put up with.

YHWH will increase those who tithe. He will increase their wealth and he will make sure such people are never without food and their needs are always met. That is what he promises.

If we understand our places its not just about ten percent tithe but we belong 100% to Elohim and everything we have belongs to Him but rarely do we look in the mirror and ask this question. What do I owe to Elohim? How about your all but are you willing to give him your all or are you going to judge others you give each time you part with some of your money?

Psalm 24:1 The earth is YHWH's, and the fullness of it; the world, and they that dwell therein.²

So when we tithe what do we do? We are showing love for the work of the Kingdom to expand the kingdom. If this could be considered kingdom tax the purpose is to help the kingdom citizens but if the kingdom belongs to the king and we refuse to tithe then what right do you have left over the kingdom? So we are happy to buy that new Colour TV LED screen for \$1000, buy the latest Iphone for \$800 but we are not happy if we have to give tithe and we seek a way out. We are happy to spend \$500 on the new baby who actually belongs to Elohim and given by Him yet we refuse to send tithes. We refuse to honour the Lewites in our Gate because we have an evil eye, Ayin ha Ra

This is the attitude many of us live in and is the product of world's greed and unrighteousness hedonism.

Tithing is not just on your salary but on all your income so if you sold that car, sold that house then you are to tithe give a Ma'aser 10% to Elohim who is the owner of everything that belongs to you thus it goes to the Lewites.

Deut 28:21 So that I come back to my father's Beyth (house) in peace (shalom); then YHWH shall be my Elohim: **22** And this stone, which I have set as a pillar, shall be Elohim's Beyth (house), and of all that You give me I will surely give a tenth to You.

Jacob vows to give his 10% tithe to YHWH realizing where his Increases were coming from.

As I wrote earlier you are to give tithes to your Torah teachers they are worthy of honour but are you honoring those who go out of their way to teach you? Some of us who labour for the kingdom are not even given single honour and are written against and bashed as false teachers for teaching the Torah. This unrighteous slander will be dealt with when

² In whatever present shape we are in, the world belongs to YHWH and not to Satan as erroneously being taught around assemblies.

these kinds of people are not allowed to enter the kingdom. Their Caucasian 'Jesus' won't help them on that day.

If you give to the King to further His work he will not let you down and will return to you with an increase and to those of you that he has given wealth it is for a good reason to use it for the kingdom yet I see people hoarding on to lands and houses and just giving lip service by saying G-d will use it. How can G-d use it if your heart is in the wrong place. You think you speak the right words but you feign Torah and that will not be rewarded. Your wealth will not be used now nor in 20 years but some government agency will take it over and that will be that as your faithfulness was tested and you failed.

Ecc 5:19 Every man also to whom Elohim has given riches and wealth, and has given him power to eat there, and to take his portion, and to rejoice in his labour; this is the gift of Elohim.

Don't neglect your tithe and you will never be at loss for the rest of your life or steal YHWH's tax and it will come out of your nose.

Debarim 29:9 Guard therefore the words of this Contract/Agreement, and do them, that you may prosper in all that you do.

He that gives freely will also receive freely and he that is stingy what he has will also be removed from him.

Mishle (Pro) 11:25 The generous soul shall be made fat: and he that waters shall be watered also himself.

It is not always that you give money, some of you can give your talents, others can donate clothing and or whatever can benefit the believing community. However one cannot run away from the fact that we owe our all to our Abbah in the Shamayim.

What about Jewish law and Income?

There are many opinions some argue that the Torah never commands to give income while some would say that tithe is permissible on income. See Tosefos Taanis 9b, Ohr Zarua and Tashbatz. Noting also that Yaqub gave a tithe and He was not giving a produce mentioned in Beresheet 28:22. According to MaHaril Siman 54 even Rambam the great Jewish sage stated that it is obligatory to give tithe. Some Rabbis suggest that it is a minhag (custom) and say that when you give Ma'aser Kesafim (10% of your money) that it is automatically counted as Tzedakah.

So what is Tzedakah?

If you go to the streets of London where the Jews live such as in Golders Green or Stamford Hill or to New York in the USA or better still by the Temple Mount in Israel today you will find some Jews carrying a little box and shouting Tzedakah, Tzedakah. This is basically taught in Hebrew law that one is to give 10% of his income in Charity and this fulfills the mitzvah of the Torah which is commanded and its for your

REDEMPTION, yes, REDEMPTION. They go so far as to suggest that you can give up to 20% Tzedakah but do not ever exceed 30% as it may hurt your family needs.

For a person who has the custom to give money that one who gives is like a neder (oath) and must continue to give the 10% as he or she has always done so in the past as then it has become an obligation upon them. You can read more about this in Shu"t Sheilas Ya'avetz.

The Jewish law can become very complicated for you to understand so I try to do the best to explain in layman terms.

If your parents have always given money as a charity out of their income then it is as the book of Proverbs in 1:8 states it, that you must continue the custom of your father and mother and it has become an obligation (neder) oath upon you, you cannot Matir Neder (break this oath) and somehow try to absolve yourself. This is a good custom of your parents and you need to maintain it. More on this is stated in Sefer Ahavas Chesed from the Chofetz Chaim.

It is a principle and halacha according to many Rabbim that when we as a people do not practice the giving of produce meaning grains and fruits of our fields then we must give income (kesafim) money that we have earned therefore one cannot excuse himself and say well I do not have any lands and I do not have to give. What about those of you hoarding lands and don't tithe. Do you know you have to tithe on your lands even if they lie fallow? Yet you hoard lands and do not pay any tithes on them. You think you can only give tithe on your income. You are forced to pay taxes by the government and you do but you refuse to give what is due to YHWH, what will be the outcome? Ten percent that is what is required so when you going to own up and cough up.

The Chazal write that many of the people who were able to give Chofetz (20%) have benefited greatly from the Most High Elohim in their lives and great things have happened to them because of their generosity. This is called a good eye. When you are stingy in the bible it is called an evil eye ayin ha rah. Rebbe Yahushua spoke about this too in the so called New Testament.

Mattityahu 6:22-23 The light of the body is the eye: therefore if your eye be healthy, your whole body shall be full of light. **23** But if your eye be evil, your whole body shall be full of darkness. If therefore the light that is in you be darkness, how great is that darkness!

The Gaon of Vilna suggested in his opinion that Ma'aser should be given amounting to 20% and if those who do not give 20% are guilty of many positive and negative commandments of the Torah.

However many of the sages have suggested that if you give 10% you have fulfilled the obligation of the tithe and that you should only give 20% or more if you have no obligation to your family and that everything in your non mortgaged home is paid for. This could be in a situation where your home loan is paid off and you do not owe any monies to anyone then you can stipulate a Chomesh (20%) and the Abbah YHWH will indeed increase you for it greatly. There are six rules where you may have to spend this

more than the 20% amount according to the Chofetz Chaim in Ahavas Chesed Vol. 2 Chapter 20; Also see the Talmud Ketubot 50b.

1. In life/death issues one must spend down to their last penny to save a life.
2. In a place where poor people dwell one must spend more than usual to help to feed them food.
3. A person who is very rich should spend more than 20% of their wealth to do so.
4. A person who gets a monthly pay-check from which they buy provisions for themselves may use the remainder of the money for tzedakah (charity) even if that amount is more than 20% but they must provide for their household first.
5. If you are learning the Torah you are suppose to spend more than 20% as you may need to purchase bibles, books, materials etc, this is a great mitzvah.
6. A person who purchases vain items beyond their means that take their liking may spend more than 20% on tithing.

If a person is laying on his death-bed and about to go to the other side they may give all their wealth to tzedakah according to Rama Yoreh Deah 249:1. The Kitzur Shulchan Aruch Siman 34:4 states that if one is on their deathbed they should give a half or one third of what they own and not all of their wealth, however opinions differ on this one with other rabbim.

Rabbi Simon Altaf's opinion on the matter is very simple. If you work or you own lands you should give from your income whether derived from produce or generating income via working for someone at least 10% to the Torah teachers (Lewites) which today will fulfill your obligation and Torah commandment (mitzvah) plus Tzedekah between 1 to 10%. If you live in a home fully paid for and you do not have any loans that you need to pay back then you should do the full chomesh 20% of which you can stipulate 10% goes to Tzedekah to the rabbi to be used in giving to the poor and needy and the other 10% for the rabbim to use as they see fit. This in my opinion will bring the greatest rewards in your life both here and in the olam haba (coming world). Your salvation is not tied to some western Jesus but to Tzedekah see Yeshayahu (Isa) 1:27. Most of your Bibles mistranslate the verse.

Yeshayahu 1:27 Tsiyon shall be redeemed with a decree (judgment) and those that return with Tzedekah (justice).³

Remember always that we as a being are not masters of self but our Master is Abbah YHWH and we must submit to His will the Torah.

Questions:

³ Its very important that every Israelite gives tzedekah monthly from their earnings and tithes as that is what is going to be used to remove Israel from the nations and finally to set Israel free. "Those that return", means those that go back to the Torah (no gentile bondage) and take ownership of the contracts will have full forgiveness and redemption. The rest will die in exile.

You may say well I don't have enough income and I cannot afford to tithe so what shall I do? The reason you do not have enough income in the first place is as a result of two principles, fix the principles and the income will increase.

Number 1 principle – Who is the head in the house this applies to you Ysraelite ladies? Did you marry an unbeliever or are you married to a man who does not want to obey the Torah? First this needs to be fixed. You should not have attached yourself to this man who is blocking your inheritance from YHWH. Now if you already have children then petition to YHWH to fix this man. If you do not have children petition YHWH to fix this man or tell the man to start to obey YHWH or get out of your life. This is what is holding you up.

Number 2: you are in your quandary because you did not tithe so your income has been devoured by the devil. When you do not tithe or unable to it is because of two reasons either your husband is one who does not obey the Torah so he squanders his income on other things like drinking, smoking or even drugs. The second reason is your home is under a spiritual attack and what you need to do is this. Look at what you can cut back on such as you may have two phones, internet, Cable TV and other items. Well we know you need electric and gas in your homes so they will stay but cable TV for which you pay say \$50 can go. Out of two phones if you have a mobile and a land line one phone can go. The money you save you start donating monthly to a Lewite or you give Teruma to a Torah school if you cannot find a Lewite. Once you do this you will see the increases that come your way. You can continue to do this until you have reached the 10% figure. You can do more but this is good if you reach 10%.

Incident I in my own personal life once upon a time many years ago I was very poor and I only had a social security cheque. I was not a believer and the Holy Spirit pressed on me to give money to a poor person. I thought I was poor how could I. The more I thought the more She pressed me. I went and found a child in India who was very poor and through Christian Children's fund I started to send money from my social security cheque to her, that was 33% of my cheque I gave to tzedekah. Once I did that strange things began to take place. I got a job and started moving up the ladder very fast. I increased my tithes and continued to move and I still did not realize what was the cause until I became a believer in September 1998. I moved from no job to a \$130,000 paying job. Obviously to get to that job it took around 5 years from a \$20,000 to \$130,000. This was all because of my faithfulness to understand it was G-d who was causing me to not only to prosper but to give Tzedekah. What he taught me was that I gave 33% and he multiplied it by 100 times and my salary was \$6000 a month before tax.

So with no excuse don't remove the increases and benefits about to come into your life. Set aside whatever income you can afford even if it is \$5 and then see how YHWH will multiply your tithes and return to you.

Mal 3:11 And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, says YHWH of hosts.

I challenge you to try it and see the results for yourself.

Now if you do not tithe then in one way how the devourer can devour your money is like this. Suddenly your car breaks down. Something in the home breaks and you end up spending money on it. So the money you were going to use to tithe will get spent elsewhere and this is how the devourer (Satan) can wipe your increases away. So by not tithing you are your own worst enemy and open the door to spiritual attack which is appointed by YHWH to the disobedient. Sometimes Satan will do this by you being imposed child support to a spouse or girlfriend who you got a baby with, this is also your money being devoured so be warned.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage

is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This

book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people. The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melekzadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melekzadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else. There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you. I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
