

Are the Muslims illegitimate Children and should we hate them? By Rabbi Simon Altai Hakohen

HTHS - Hidden-Truths Hebraic Scrolls (All quotes are from it unless stated)

Genesis 16:3 Then Sarai, Abram's wife took Hagar her maid the Mitzri (Egyptian), and gave her to her husband Abram to be his wife, after Abram had dwelt ten years in the land of Canaan.

This is an instance of a woman such as Sarah giving over her maid to Abraham the form of patriarchal marriage through whom Ishmael was born. In the modern world this may be called surrogacy but this was not just surrogacy but Hagar was Abraham's fourth wife, which is another common occurrence in the East. Eastern cultures mostly are polygamous even today. The Hebrews ability to have many children came about as a result of Torah polygamy.

Scripture tells us that Abraham had dwelt ten years trying to reveal to us that it was almost ten years since the last time YHWH had spoken to Abraham and said to him that He would give him a son.

Sarah obviously did not think this would happen through her as Ten years had gone by and any human being might think that it is time to move on and surely this was in Sarah's mind when she let Abraham had the son through Hagar since Sarah has accepted her fate of being a barren woman. Being barren is still considered a curse in the east because other women around you taunt you.

Genesis 16:9 So the Malakh YHWH said to her, Return to your mistress, and submit yourself under her hand.

When Hagar had become pregnant she became a bit haughty and started taunting her sister wife Sarah because she was barren and then when Sarah retaliated Hagar fled while the Angel of YHWH told her to go back and submit to Sarah.

Genesis 16:11 And the Malakh YHWH said to her, Behold, you are with child, and you shall bear a son, you shall call his name Y'shma'el because YHWH has heard your affliction.

It was YHWH that gave her the name for her son Ishmael which means "YHWH has heard and in the ancient a strong multitude." From here we can see that the whole process from Sarah giving over Hagar to Abraham to the birth of the child is all legal and proper according to Torah. Nothing untoward had happened other than that the

oestrogen of the two women came in the way of family; however Ishmael was the legitimate son of Abraham by every right and far from a human perspective had rights of inheritance.

The Torah rule is that a first born son must belong to the principle wife in order to gain the double inheritance. In this case the principle wife in the south was Keturah who had already six sons with Abraham, she would get the principle inheritance in the south while Sarah was the northerly wife with the promised son so he would get the northerly inheritance and spiritual benefit.

However the ruling territory belonged to Sarah in the North so only her son could rule unless special provision was made to allow another ruler but we know this did not happen. In the Horoite culture from which Abraham came they had rules of North/South divide and placing wives in these regions so that they could control two territories. They would never place wives in East/West axis as that was considered to be the areas for G-d.

Genesis 17:12 "He who is eight days old among you shall be circumcised, every male child in your generations, he who is born in your house or bought with money from any foreigner who is not your descendant.

The instructions were clear that YHWH had given Abraham the Abrahamic contract and commanded him to circumcise all the children starting at eighth days old. This circumcision was "forever." Muslims still carry out the circumcision faithfully of their children. At that point in time Abraham was 99 years old and his son Ishmael was 13 years old thus he was circumcised at that age. While Christians to this day argue over whether to circumcise or not but the Muslims do not question the contract and circumcise their children as taught in the first year usually in the first month.

Genesis 17:14 "And the uncircumcised male child, who is not circumcised in the flesh of his foreskin, that person shall be cut off from his people; he has broken My contract."

Christian Pastors are wrong and ill advised who advise others not to circumcise. One should ask a Christian Pastor how long is everlasting? Those today who are not circumcised effetely cannot claim the Abrahamic-contract and neither can claim the promises given to Abraham's people. Citing out of context passages from Paul's letter that are not part of our set-apart scriptures is not going to win you any friends in Torah.

Genesis 17:15-16 Then Elohim said to Abraham, "As for Sarai your wife, you shall not call her name Sarai, but Sarah shall be her name. (16) "And I will increase her and also give you a son by her; then I will increase her, and she shall be a mother of nations; kings of peoples shall be from her."

Now YHWH reiterates the promise He had made to Abraham almost twenty five years ago that He would give him a son. He changes the name of Sarai to Sarah and it was not that YHWH rejected Ishmael in anyway but YHWH was showing Abraham a new thing that the contract had to be worked through the son of Sarah, who was the principle wife while Hagar was the additional wife so would be next in line of rights and inheritance. Note Abraham already had a wife called Keturah in the South and he had six sons from her (Gen 25:1-2) who were the ruling class in the south. Abraham's people were Horoite ruling priests and they took two wives at minimum one in the North and one in the south. Abraham had four documented wives and other concubines with a total of nine sons one being Isaac. Isaac is singled out for prophethood.

The Abrahamic Contract was to come through Isaac however the ruling class in the South were Keturah's sons who became the rulers for over 1000 years in the Arabian Peninsula.

Abraham's ruling wife in the North was Sarah and in the south was Keturah the daughter of Joktan. Joktan by the way was the first pure Arab so Arabs are actually older than Semitic Jews of today majority of which are actually converts from eastern Europe and in fact Arabs did not just descend from Ishmael but also from Joktan the son of Shem. Many Arabs have pure bloodlines, while many Caucasian Jews today whether those who acknowledge or not can be traced back to Russia where they were converted from the Caucasus and then spread out to Europe and ended up in Israel today. They more likely have blood of Attila the hun than Shem. They are not the children of Israel because the children of Israel were people of colour. Negro colour.

Those Jews today who speak Yiddish can be ruled out completely as the sons of Abraham since they are not. The Yiddish dialect came from Eastern Europe and has nothing whatsoever to do with the Biblical Hebrew culture. They can claim to be Israelites and join the Abrahamic-Faith contract just as any non-Hebrew can enter the contract and become an Israelite so did they but they cannot claim inheritance which solely belongs to Isaac's sons. Note Isaac was from the line of Shem, while the majority of Eastern Jewry today is from the line of Japheth.

Genesis 17:19 Then Elohim said: "No, Sarah your wife shall bear you a son, and you shall call his name Isaac; I will establish My contract with him for an **everlasting contract** and with his descendants after him.

YHWH begins to narrow down the contract working with Isaac so there is no misunderstanding although Ishmael is increased by YHWH but the contract and all subsequent prophetic dealings regarding Israel would come through Isaac. Note Ishmael's mother was actually Egyptian so he was a mixture of both Arab and Egyptian blood considering His father was a son of Shem.

In order to meet the double portion inheritance Ishmael would have to be both firstborn and the son of the principle wife but we know that he was not the son of Sarah and that he was not the firstborn either. People in the middle-East do not have children when they are one hundred years old. Our people have always had children in the earlier twenties, while Abraham also had children through Keturah (Note Keturah is not Hagar confused by European rabbis).

YHWH even showed us that He switched the increases and contracts from the older to the younger. Abraham's first born son was actually Jokshan mentioned in the book of Genesis 25:2 who was born to Keturah, while Ishmael was not numbered as a first born. However his ruling wife Sarah the princess did not have a son so he was to become ruler of the Abraham's Northern territory. Jokshan was Keturah's first born son but labelled as number two in the order under Torah however in Afro/Asian cultures wife's gave the name of their father or grandfather to the firstborn son as we see with Keturah in genesis 25:-1-2. Genesis 25:1 is misinterpreted by suggesting Abraham married her after Hagar, in fact she was his wife prior to the marriage to Hagar.

Genesis 25:1 (HTHS) And Henceforth Abraham continued with his wife, and her name was Keturah.

Point one – Ishmael was born through Hagar who was Abraham's fourth wife however Abraham had wife number one which was Keturah who who had six sons but his second wife was Mashek with one son, the third wife Sarah prior to Isaac being born but they could not rule in the Northern territory (Israel is North in the African continent where Abraham's people ruled) as that area belonged to Sarah. Note all six sons of Keturah ruled the Arabian Peninsula even to this day. Many city names in Yemen today still reflect the names of Joktan the son of Shem.

Sarah's son Isaac was the promised son which is also stated in the Qur'an that Muslims hold as their sacred book (Sura 11:69-73).

Sura 11.69-73 And certainly Our messengers came to Ibrahim with good news. They said: Peace. Peace, said he, and he made no delay in bringing a roasted calf. **70** But when he saw that their hands were not extended towards it, he deemed them strange and conceived fear of them. . They said: Fear not, surely we are sent to Lut's people. **71** And his wife was standing (by), so she laughed, then We gave her the good news of Ishaq and after Ishaq of (a son's son) Yaqoub. **11.72** She said: O wonder! shall I bear a son when I am an extremely old woman and this my husband an extremely old man? Most surely this is a wonderful thing. **73** They said: Do you wonder at Allah's bidding? The mercy of Allah and His increases are on you, O people of the house, surely He is Praised, Glorious.

The commandment in the Torah stated that a husband cannot favour a son from the second wife over the first even though Isaac had not been born yet but YHWH made this precept very clear early on with Abraham by personally performing a switch and later Moses wrote the precept which was well understood about Torah even by the Patriarchs.

Exodus 21:10 "If he takes another wife, he shall not diminish her food, her clothing, and her marriage rights.

Whose marriage Rights shall not diminish?

Wife number one that is Sarah. So her children will always get preference over the second or third wife and their children even if they are loved less. Biblical polygamy was practiced predominantly and very much part of Torah law even to this day in the Eastern nations including many Muslims follow the same patterns.

Deuteronomy 21:15-16 (HTHS) If a man has two wives, one beloved, and another loved-less, and they have born him children, both the beloved and the loved-less; and if the bechor (firstborn) son was on the one that was loved-less: **16** Then it shall be, when he makes his sons to inherit that which he has, that he may not make the son of the beloved bechor (firstborn) before the son of the loved-less, which is indeed the bechor (firstborn):

Here G-d is clear that even in a plural wife situation that if the man loves one of the wives and loves the other less he still must give preference to the bechor (first born) son of the unloved. G-d wanted to regulate the marriages so that women will not be left in an un-advantaged situation or their children neglected and without a father. Today women are quick to run to the divorce courts but in the Middle-Eastern culture and even Muslims and Sephardic Jews still have more than one wife and divorce is unheard of in these lands and communities. Popular divorce western style is only found among the westernised Muslims and Jews. Now a days women who divorce in Muslim countries usually do it out of injustice by the husband.

So coming back to the story of Ishmael he was not unfavoured in any way but he was not given the Contract or it could not continue through his line so if the Muslims prophet Muhammad being the son of Ishmael through his progeny then it will be apparent why Muhammad cannot be the prophet for YHWH but he certainly became the prophet for Allah considering Allah and YHWH are two entirely distinct deities.

Genesis 17:20 "And as for Ishmael, I have heard you. Behold, I have increased him, and will make him fruitful, and will multiply him exceedingly. He shall beget **twelve princes**, and I will make him a great nation.

Ishmael was to beget twelve sons and they were to be princes. It should be apparent that twelve sons are not going to come from one woman as polygamy was the common lifestyle of the ancient Hebrews. Ishmael had two wives and here is the evidence.

Yahsar 21:17 And he and his mother afterward went to the land of Egypt, and they dwelt there, and Hagar took a wife for her son from Egypt, and her name was Meribah.

YHWH knew that Ishmael was going to birth twelve sons but it is not G-d that he deliberately went out seeking a divorce but man? Unfortunately the Western culture today is lopsided and thinks what they do is right while the ancient culture is binary and priesthood centred. In modern culture deviant lifestyles are accepted such as homosexuality and other such types but in Scripture these were not given any precedence and were removed from the boundaries of the Hebrews and were solely practiced by gentiles. Today those who still practice such lifestyles are gentiles.

However Israel practiced both monogamy and polygamy both of which were kosher.

Yahsar 21:18 And the wife of Ishmael conceived and bare four sons and two daughters, and Ishmael and his mother and his wife and children afterward went and returned to the wilderness.

So she conceived four sons and two daughters. In my calculated opinion the mean average for one wife in the Bible is about five children. Some Hebrew families had many children, Jacob having twelve sons (Gen 35:22) through four wives was not an uncommon occurrence.

It was Abraham who ordered his son through using an idiom such as nail of the tent to mean to take another wife since Ishmael's first wife was not only beating up her children but also cursing her children and her husband and this thing displeased Abraham greatly. A wife who does not know how to maintain the home and children needs to go back and retrain and that is exactly what Abraham told Ishmael to send her back to her father for training. Many contend this was a divorce however our evidence show us to the contrary that ancient Hebrews did not practice divorce but did send the wives back to the father as it also happened with Moses (Exo 18:2), hence why YHWH hated divorce (Mal 2:16) when later Israelites violated the rights of women.

You may ask then why did Moses allow divorce?

The provision given for divorce in Deut 24:1-4 to prevent spousal abuse.

The women are really the nail of the tent (home) and if that nail becomes blunt then the holy One of Israel help those who have to deal with such nails because it can start to wreak havoc on a family, no wonder the Bible says this in the book of proverbs.

Proverbs 19:13 A foolish son is the ruin of his father, and the contentions of a wife are a continual dripping.

Ah I hear those ladies in the West who wear the pants (trousers in England) trying to correct me. I reply when a woman starts to wear pants a man's attire then she has spiritually usurped the authority of G-d and it's only a matter of time before she will tell other men where to go. Such women will have no increases in this world or the next. They can now tell us where to go but there will come a day when YHWH will tell them where to go and then they will realise their mistakes.

Let me remind the ladies who are wives to submit to your husbands be like Sarah, Rebecca, Rachel and Leah. The modernist women need usurping authorities in the home trying to become a little G-d. And the husbands are to love their wives give them respect even if they are haughty but pray for them and do not jump to the law courts for divorce, this is unholy and not the way of YHWH. The women who have put down their right-ruling husbands and humiliated them they too will get their justice.

Let's get back to Ishmael. Did YHWH know that Ishmael would take another wife? Of course and fully approved it since Ishmael's dad had four wives and Ishmael did not have a problem calling mummy to three other women.

Contrary to popular belief Ishmael was very obedient to his father Abraham.

The second wife of Ishmael was a very good woman and obedient and she respected and honoured Abraham her father in law even without knowing who he was when he visited her. Abraham in turn increased his son Ishmael in the name of YHWH. Abraham was the one who approved for his son to have the second wife not condemning his son unlike today many Christians condemn fellow brothers who are in difficult marital situations and calling them names if they wanted to avoid divorce to save their marriage and take on another wife and perhaps separate for a time for healing in the first marriage. That's because Christians are gentiles and behave as such. Look at some of their clergy now is homosexual.

Yashar 21:41 And Abraham said to her, I will not stop for I am in haste to continue my journey, but give me a little water to drink, for I have thirst; and the woman hastened and ran into the tent and she brought out water and bread to Abraham, which she placed before him and she urged him to eat, and he ate and drank and his heart was comforted and he increased his son Ishmael.

Would a father increase his son if he was into false worship? There is no way of that happening since Ishmael obeyed and loved YHWH just as Abraham loved YHWH.

You want proof? (The book of Jasher can be ordered from the African-Israel website)

Yashar 21:48 And Ishmael knew that it was his father, and that his wife had honored him, and YHWH increased Ishmael.

This is written proof that YHWH increased him for the sake of his second wife who was sincere and faithful while the first wife was getting retrained. We do not hear of what happened to her but it is likely she would have returned to Ishmael and Ishmael would have visited her after she was fixed up.

Quite an honour I might say for one that many people claim was unrighteous. Ishmael was indeed just albeit with his humanity issues which I must say we all also have and the Bible leaves us with the end of Ishmael showing us nothing negative about his belief system. I would suggest to you that Ishmael died believing in YHWH just like his dad Abraham so he too would have gone to be joined unto his fathers and we will see him in the resurrection.

Genesis 25:9 And his sons Y'tzhak and Y'shm'el buried him in the cave of Machpelah,¹ which is before Mamre, in the field of Ephron the son of Zohar the Hittite,

In fact the last reference to Ishmael's sojourn in Israel shows us that he went to bury his dad and mourn his death.

Conclusion

It would be very wrong for anyone to hate or show indifference to the Muslim people because there are some wonderful Muslim people out there. I know some Christians who go around saying the Muslims should be annihilated or removed from the land of Israel. This thing is obscene and should be avoided as the Muslims have all the rights to live in the land of Israel as long as they submit to Israel's laws in line with international law.

They are children of Ishmael and the forefather Joktan the son of Shem. In the end the Bible paints a very interesting picture of the struggle of Abraham's two sons, Isaac with the line of Israel the twelve Patriarchs (Israel's sons) and Ishmael with the twelve princes so the final battle is already drawn and the battle is over a piece of real estate today known as Israel. The battle is spiritual but is being manifested in the physical.

Essentially as I have said in my book World War III – Unmasking the End Times Beast the conclusion is already evident, twelve sons of light (Israel) versus the twelve sons of darkness (Because of Islam). Now how many of Ishmael's sons come to realisation of

the light of YHWH's Torah and be saved is something we do not need to question but we need to pursue as right-ruling servants of the Most High.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a person who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers, I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted monogamy is wrecking lives and destroying families and society around us. How many

marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage with Torah monogamy is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Em Chomah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melezkadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be Melezkadek this is not the truth. Only the Kings of Israel can right hold that title, its not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah.

I want you all to benefit and to receive what rightly belongs to you.

This book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
