

Gentile religions are self serving and bigoted by Rabbi Simon Altaf Hakohen

Terms:

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Malachi. Note the Renewed Contract writings are a testimony of the Messiah written by his disciples and other witnesses and not strictly scripture in the same class as the Tanak but only loosely and that they can be used for instruction as long as they do not contradict the Torah and prophets.

Tanak (Scriptures from Beresheeth (Genesis) to Dibre Ha Yamim Bet (Second Chronicles))

YHWH - The four letters of the sacred name of G-d.

HTHS – All quotes using the Hidden-Truths Hebraic Scrolls unless otherwise indicated, this can be acquired from Amazon or www.african-israel.com.

Note, we do not give the gentiles a right to translate and corrupt our scrolls that were given to us (True Y'sra'el). Christendom and their myriads of denominations for far too long have corrupted and misinterpreted our ordinances, commandments and statutes not differentiating between secular and sacred not separating the clean from the unclean. Woe onto them.

We'Yikra (Lev) 10:10 And that you may distinguish between set-apart and not set-apart, and between clean and unclean.

As we can see today the current onslaught of Gaza by Israeli fighter jets continues. These people kill without regard for old or young and without due process. Here what we are seeing is might is right attitude of the Zionists. That is not the attitude G-d wants us to convey to people around us so by this definition we can see if they are really serving G-d or their own agenda.

The allegedly friendly IDF forces that some ignorant pro-Zionist Christians claim to be the most humane. However during this self created war they have been seen firing missiles at women and children standing on rooftops in Gaza waving not to fire the missiles. The IDF don't care, their planes don't care who is under their bomb you will also see what Israel practices is the reckless dahaiyah doctrine in which you hit even civilian targets like poultry farms, civilian factories. Maybe the chickens also have war with them. Four young children were killed on a beach with missiles chasing the kids who were playing football. This is a classical example of inflicting pain on civilian targets with no due regard and this certainly puts the IDF on very shaky foundation.

Notice how these same people complain and whine about the German Holocaust and use it to justify killing others. So when Hitler's soldiers killed them it was a crime but when they do the same to others its defense!

While not a single one of them ever talks about the Zionist war against Hitler to destroy the German finances in 1933 and its all made to look like Hitler was the great Satan while these poor Zionists were the victims. This victim mentality runs deep in their psyche to deceive the world at large. Notice the real children of Israel do not have a victim mentality as they are not from the banks of Russia. Now there's a surprise. If our people have any mentality it's the mentality of the peasants to rear goats and sheep!

Historically there was an actual alliance between Hitler and the Zionist bankers in which the Zionists wanted Hitler to kill as many Jews (These really had nothing to do with Zionism but became sheep to the slaughter) as he could so that they could get people shifted tactically to Palestine under the pretext of slaughter of the Jews in the nations. One wonders little the Zionists were evicted from every country because of their ill practices in finance and business towards the natives of those lands.

The same thing happened in Iraq, Jews were killing Jews on the orders of the Zionists to drive the Jews out to make it look like Muslims are killing them when they were not.

¹The original Jews found Babylon, with its nourishing Tigris and Euphrates rivers, to be truly a land of milk, honey, abundance-and opportunity. Although Jews, like other minorities in what became Iraq, experienced periods of oppression and discrimination depending on the rulers of the period, their general trajectory over two and one-half millennia was upward. Under the late Ottoman rule, for example, Jewish social and religious institutions, schools, and medical facilities flourished without outside interference, and Jews were prominent in government and business.

About 125,000 Jews left Iraq for Israel in the late 1940s and into 1952, most because they had been lied to and put into a panic by what I came to learn were Zionist bombs. But my mother and father were among the 6,000 who did not go to Israel. Although physically I never did return to Iraq-that bridge had been burned in any event-my heart has made the journey there many, many times. My father had it right.

I read over the petition. In signing, the Palestinian would be saying that he was of sound mind and body and was making the request for transfer free of pressure or duress. Of course, there was no way that they would leave without being pressured to do so. These families had been there hundreds of years, as farmers, primitive artisans, weavers. The Military Governor prohibited them from pursuing their livelihoods, just penned them up until they lost hope of resuming their normal lives. That's when they signed to leave.

¹ http://www.bintjbeil.com/E/occupation/ameu_iraqjews.html

I was there and heard their grief. "Our hearts are in pain when we look at the orange trees that we planted with our own hands. Please let us go, let us give water to those trees. God will not be pleased with us if we leave His trees untended." I asked the Military Governor to give them relief, but he said, "No, we want them to leave."

I could no longer be part of this oppression and I left. Those Palestinians who didn't sign up for transfers were taken by force-just put in trucks and dumped in Gaza. About four thousand people were driven from al-Majdal in one way or another. The few who remained were collaborators with the Israeli authorities.

Subsequently, I wrote letters trying to get a government job elsewhere and I got many immediate responses asking me to come for an interview. Then they would discover that my face didn't match my Polish/Ashkenazi name. They would ask if I spoke Yiddish or Polish, and when I said I didn't, they would ask where I came by a Polish name. Desperate for a good job, I would usually say that I thought my great-grandfather was from Poland. I was advised time and again that "we'll give you a call."

Eventually, three to four years after coming to Israel, I changed my name to Giladi, which is close to the code name, Gilad, that I had in the Zionist underground. Klaski wasn't doing me any good anyway, and my Eastern friends were always chiding me about the name they knew didn't go with my origins as an Iraqi Jew.

I was disillusioned at what I found in the Promised Land, disillusioned personally, disillusioned at the institutionalized racism, disillusioned at what I was beginning to learn about Zionism's cruelties. The principal interest Israel had in Jews from Islamic countries was as a supply of cheap labor, especially for the farm work that was beneath the urbanized Eastern European Jews. Ben Gurion needed the "Oriental" Jews to farm the thousands of acres of land left by Palestinians who were driven out by Israeli forces in 1948.

And I began to find out about the barbaric methods used to rid the fledgling state of as many Palestinians as possible. The world recoils today at the

thought of bacteriological warfare, but Israel was probably the first to actually use it in the Middle East. In the 1948 war, Jewish forces would empty Arab villages of their populations, often by threats, sometimes by just gunning down a half-dozen unarmed Arabs as examples to the rest. To make sure the Arabs couldn't return to make a fresh life for themselves in these villages, the Israelis put typhus and dysentery bacteria into the water wells.

Uri Mileshtin, an official historian for the Israeli Defense Force, has written and spoken about the use of bacteriological agents. According to Mileshtin, Moshe Dayan, a division commander at the time, gave orders in 1948 to remove Arabs from their villages, bulldoze their homes, and render water wells unusable with typhus and dysentery bacteria.

Hitler in 1933 Germany started his career as a Chancellor, he had no control of any military might till much later through circumstances forced upon them. Please look into this information before you call all of the Germans, Nazi and or evil (This is not to say that gassing of the Jews was somehow justified, that was sickening). The whole thing in Germany was started by Zionists in America calling for a declaration of war on Germany when they called for a massive boycott of German goods in March 27, 1933. This was also the year of the inaugurations of this bigoted ideology called Zionism, these are really all gentiles calling themselves Jews or trying to take the place of the true Black Children of Israel. You don't leave Israel Black and turn up white that is what one of the leaders of Egypt Gamal Abdel Nasir said. He was quite right to state the obvious yet Christians still walk blindly running their pathetic pro-Zionist campaigns.

The boycott rallies took place in New York City on March 23 when 20,000 Jews gathered to boycott German goods. At this time Hitler had not done any persecution of Jews in Germany and he was not at the helm of the armed forces to do so either.

I sometimes wonder why do people shy away from telling the truth and never mention these facts. Why is Germany always depicted as the villain and their side of the story never presented? One can see why.

Germany was in a crisis in how to deal with this boycott as the Zionists had gathered support worldwide to do this to bring Germany to its knees as a declaration of their holy war against Germany. They had gathered all Jewish communities and told them to do likewise and take part in the divestment program.

As far as persecution of Jews in Europe went that was nothing new in Europe as it was happening in many countries long before even Hitler was born many times due to their ill financial practices practiced by the rich Jews but the ones who got the gentile boot were the poor Jews who had nothing to do with it. These protests took place in America in

many States and cities. This is what then brought about the one day boycott of German business by Minister Dr Joseph Goebbels on April 1, 1933. Note the German Jewish community wanted to distance itself from these protests but of course Zionism's tide was not going to stop this happening. The Zionists organized worldwide protests, fiery speeches and the aim was to anger Germany so much so that they would persecute and kill the Jews which in turn would be the build up to what eventually happened.

This then precisely achieved the aims of the Zionist bankers because they had already secured an agreement with Sir Ian Balfour regarding Palestine with Baron Rothschild. So the British were already in cahoots with the Zionist as they needed their money beside they did not like Germany much either. This animosity runs to this day between the British and Germans in 2014.

The Zionist secured the deal with the British behind close doors without any debate. The giving of the portion of land in Palestine to the Zionists bankers by Sir Ian Balfour was a monumental win for them. This then allowed them to harass Germany to bring about the backlash of Hitler which took its form in the holocaust. However the figures offered are distorted from what actually took place in the holocaust. Read the following blog to get an idea as some places were wrongly assumed to be places of torture. Hear it from a Jew for yourself.

Christians who have been bigoted and ignorant from time immemorial they write ode's for the three Israeli teenagers but fail to see that one of the teenager who was nineteen was actually an IDF soldier so would naturally be not so innocent as claimed when he would have gone around demolishing Palestinian homes and shooting them down. These three kids were also living in disputed occupied territory where the Palestinians lived so that didn't help either. How do you think the oppressed feel about those oppressing them?

I have personally seen how 19 years old IDF soldiers treat Palestinian adult men much older with disrespect demeaning words. The majority act as G-d over the Palestinian people and lack any respect for the people they occupy. Notice when Jewish writers usually write they always put all the blame on Palestinians by saying stop firing the rockets but a few of them actually recognize this act of firing rockets is in retaliation of bombing of Palestinian areas or killing of their men and women. They should be saying stop firing the hellfire missiles by armed jets first but they are too sensible to write about these missiles.

The rockets that get fired in retaliation hardly kill or do any serious damage other than psychological warfare to scare people off. The question is not whether shooting a rocket is right or wrong but the question is peace must be achieved by the two sides conceding. Israel needs to allow the Palestinian people to live and have autonomous rule at least in the enclaves such as Ashdod, Gaza, etc. Rabbi Amariel Howshua presented a good peace proposal to Israel which was conveniently not brought forward as it wasn't politically expedient. We are a people of the book and a people of mercy and kindness, we welcome

life and not death, while the Zionists love death to further their causes. Usually it's the death of the innocents in the lower echelons of their own Jewish people. Let's look at how strong the IDF really is.

It's quite pathetic that people cannot speak the truth and camouflage lies as truth. Well let me speak the truth that Pakistan's fighter jets destroyed Israeli war planes in the 1973 war with Syria dubbed Yom Kippur war where Sattar Alvi and Arif Mansoor engaged and shot down an Israeli F-4 Phantom Jet while flying an Egyptian Mig-21 over Egyptian airspace which caused Israel to back out and run for cover.

An Israeli Mirage IICJ flown by M. Lutz was also shot down in Syria by the Pakistani Jet fighters. The late president of Syria Hafiz Asaad awarded two of the Pakistani pilots with the most honorable highest gallantry awards. Now don't laugh these were volunteer fighters sent from Pakistan. So if volunteers can do this kind of damage think what the full air force can do to Israel? By the way Pakistan does have F-16's too and are capable to shoot down any jet. Pakistan is one of the few countries in the world known to have one of the best air force pilots. I am not surprised because in the ranks of Pakistanis live many children of true Biological Israel descent who yet do not know their real roots.

Pakistan also suggests that they shot down ten Israeli jets in the 1967 war that Israel denies of course. The Zionist lying machine will never admit to truth.

Pakistani pilot Saiful Azam engaged four Israeli jets over Jordanian airspace in the Mafraq airbase on June 5 flown by Israeli pilot H. Boleh that was shot down and another crash landed in Israeli territory. Two days later Azam shot down two more Israeli planes in the Iraqi region where he was sent to patrol the region. According to the Pakistani record they have one of the best militaries in the world and they shot down 10 IDF jets without losing a single pilot or fighter jet. Saiful Azam is the only pilot in the world to have taken down four IDF planes by himself. He also holds the world record of shooting down three types of military aircraft in two different air forces as he also worked for the Bengali, Iraqi, Jordanian and Pakistani air force. Shocking isn't it how these things are never spoken about.

The Zionist hate Pakistan so much for that very reason and would never mention how the Pakistani jets took the IDF planes down. Yes this is historically true look it up on youtube how Jets were shot in Syria and Iraq.

They will be crying to America to come help us but even America won't succeed as it took a thrashing from the Taliban trained by the Pakistani Army. These are facts on the ground like it or lump it this is the truth. Yes Pakistan is not the best country in the world nor the worst but it has both good and bad as all countries do and I am happy to state that I was born in the eastern city of Lahore in a Sunni Muslim family but the G-d of Israel called me out in 1998 to follow Torah back with my people the true Israelites. Pakistan is not my original home but it was a stop gap place of our sojourning.

I encourage you to read the German Jewish scholar Edwin Black on the war of the Zionist against the Germans. In 1933, Germany, the economy was in tatters with three million Germans on government assistance and a total of six million Germans in unemployment so a divestment boycott would have negatively affected Germany and created a worse situation that it already was. This was nothing short of a declaration of war on a nation that was not looking for war.

Note Edwin Black that is a Jewish man will speak the truth, there are a few of us that put ourselves out there but those that are do care for justice in our societies where we live irrespective of religion or race.

This war of the Zionists on the Germans worldwide had such a negative effect on the Germans. This boycott and the reparations that Germany had to make after World War 1 was to make the German's bankrupt and cripple the country that was already suffering. I personally know many Germans and they are good people so one must be careful to lump them all as evil.

One could see why this became the precursor to the German holocaust of the Jews. By doing this boycott the Zionists allowed the German enemies, the poles to raise their hatred for the Germans. (Read Edwin Black the Transfer Agreement, The untold story of the secret pact with the third Reich and Jewish Palestine, New York, 1984.) also read Jewish writer Lenni Brennan "Zionism, In the Age of dictators". Lenni actually attempts to show you the secret deals the Zionist were making behind the scenes long before any holocaust took place to transfer Jews to Palestine.

The Germans were being accused of conducting the deaths of Jews by various methods but this was a long time before the actual holocaust took place, most of this propaganda run at this time was false coordinated by the Zionists. The Germans were vilified and made to look like the Great Satan by the Zionists and their propaganda machinery. The hawkish British actually wanted 1000 pounds UK Sterling from every Jew that landed in Haifa. Everybody wanted to capitalize on the situation but where were the Jews going to find 1000 UK Sterling each in a cash strapped German economy. The Zionist Congress came into effect in the same year of 1933 and so one can see that the establishment of Israel was based on "finance and fraud" put together by the Zionists, who were actually Marxists. Now can anyone seriously believe that G-d works in such a fraudulent way to establish a state while all the real chosen children of Israel (Black people) were still in abject poverty in the streets of America living in enslaved conditions?

While the three teenagers Gilad Shaar (16), Naftali Frankel (16), and Eyal Yifrach (19) were murdered as a political plot, which alleged has Zionist hands all over it. Have you noticed no one to date established who really killed them, while everyone was so quick to accept that it was Hamas and the news media writing this as fact.

What happened to good wholesome detective work?

The Torah also teaches us that in order to bring a murderer to justice there must be two to three witnesses (Deut 19:15) before we are to put him to death but here the fate of many Palestinian men, women and children was decided otherwise. In the event of one's death we are commanded to only bring that person or persons to justice, we are never called to wholesale slaughter the other party. Isn't that what happened with the hysteria in Israel?

Why is it that the Torah keeping Yeshivas and their Zionists Rabbis have their mouths sealed and cannot speak the truth? How much did they get paid off by the Zionists lobby to keep their mouths shut? The men who uplift Torah have a job to speak the truth and stand up for justice but it appears these Yeshiva's in Israel wave their flags only when the Zionists command them.

Rabbi Abraham Joshua Heschel was right when he said that truth is buried in the grave. He believed that no religious community could claim a monopoly on truth exactly my sentiment.

Netanyahu pinned the blame on Hamas as a political ploy while it was never established who had his hands on the gun that killed the kids through a formal investigation. Some other authors suggest it was likely an inside Israeli job to destabilize and disenfranchise the Palestinian unity movement of Hamas and Fatah party. Truth is a bitter pill to swallow but can you handle truth. The Torah teaches us that we must not gather with a crowd to do injustice (Exo 23:2) but in Israel the exact opposite of Torah is happening by the very Jews who allegedly claim to follow the Torah! Many vigilante youngsters are going around neighborhoods terrorizing the Arabs and breaking their properties. The same youngsters already did this earlier with the black Africans living in Israel, when they were heard chanting "Kushi (Nigger) go home" and breaking their properties. Do you see a pattern of hatred here? One Israeli professor said that Hamas militants' sisters and mothers be raped.

An Israeli academic has claimed that raping wives and mothers of Palestinian Hamas militants is the only thing that could deter further terrorist attacks.

The remarks by renowned Middle East scholar Mordechai Kedar of Bar-Ilan University were made three weeks ago after the grim discovery of the bodies of the three kidnapped Israeli teenagers, but the recording was [published online \(in Hebrew\)](#) on Monday.

Read the rest here; <http://www.ibtimes.co.uk/israeli-professor-rape-hamas-militants-mothers-sisters-deter-terrorist-attacks-1457836>

The way the teenagers were killed is not the way Hamas or any of the other radical groups operate. The pattern does not fit. Usually if a radical Arab group had got hold of three such Jewish prized targets they would have held them hostage and not killed them the same day. This in itself is circumstantial evidence that the hands doing the killing

were not Muslim extremists but someone else's. When the teenagers were phoning for help the captors were heard speaking in Hebrew to the teenagers.

Israel actually conducted a campaign of disinformation by not telling the people the teenagers were already dead, when they knew this the first day. They pretended to search for them and raise up sympathy, one of the teenagers mother even traveled to Europe for help. This shows even the Israel Jewish citizens were being duped by their own government.

This disinformation campaign that the Zionist media conducts is nothing new under the sun that they learnt from their American compatriots who fuel the fire by supplying the planes, bombs that then kill innocent civilians all funded by Uncle Sam. Uncle Sam was also caught red handed when they were doing the same thing to the Black Americans through what is called CoIntelpro (Counter Intelligence FBI) and Black Boule (A Masonic fraternity with Top black people selected to disinherit their own people, promote false values and discredit the Black Negroes who are part of the true Israelite tribes so they can never rise up and succeed in reuniting according to the elites. These Blacks who join the Black Boule are the ones who get favours and they have to swear initiation oaths, by doing homosexual acts so that if they ever want out or open their mouths they can be persecuted, ridiculed as liars and written off. For doing the disinformation they can get power and wealth. Many Blacks in the Hollywood film industry, the Church scene are part of this charade. Their core objective is so that the Blacks never rise up with a Messiah figure. The ones controlling the Blacks are of course none other than the Caucasian elitist who fear the Blacks because they know these are the true children of Israel. The white Zionists are just a red herring.

So when we actually look at what happened in Palestine in what we see is three versus three. In other words Jews (read Khazarian converts and Zionists) first killed two Palestinians in the Naqba peaceful protests that they were doing in May. Two teenagers Nadim Siyam Nuwarah (17) and Muhammad Audah Abu al-Thrir (15) were killed who had committed no violence.

If strict Torah justice was practiced then the IDF soldiers who would likely be in their teens too who shot these would have to pay for by their life and that would have been the end of the matter. However let us assume for a moment that the Arabs did kill the three Israeli teenagers then they have acted in Torah justice blood for blood by killing an extra child. However Israeli Zionist Arab hating Jews soon equaled the equation by killing Mohammed Abu Khdeir (16) forcing him to drink petrol on second July and conveniently burning his body later. Now you can say they were equal three versus three. The Jews who killed Abu Khdeir were two 17 years old and one 19 years old teenagers. Do you see a pattern? They were all teenagers.

At this point rather than like Christians write ode's for the Jewish children and sing praises of their name one would have thought that they would have written ode's about the death of the three Palestinian teenagers however no odes was forth coming for the Arabs. Do you see what I mean by bigoted Christianity and bigoted Judaism? Both

religions demonstrated equal amount of hatred towards the other while the Jewish papers had a hay day in sales from criminalizing every Palestinian as a Jewish child murderer.

Muslims in the Arab world on the other hand did their sing and dance but no one really cared for the Jewish dead or the Arab dead! How many Arab countries said we are sending aid to the siege stricken in Gaza?

Israeli Jews did not ask about how we are making the Palestinians suffer in Gaza. Could that have something to do with Israel using heavy handed tactics. What about the Jewish settlers burning mosques and harassing Palestinian farmers could that possibly have a consequence? Would it not be better to offer a peaceful solution to the entire problem rather than gung ho about killing Palestinians in a revenge attack?

The Torah forbids revenge but will the Jews in Israel listen to the Torah.

We'Yikra (Lev) 19:18 You shall not avenge, nor bear any grudge against the children of your people, but You shall love your neighbour as yourself: I am YHWH.

This is why I said all gentile religions are bigoted that includes today's Judaism practiced by the Zionists, which is only self serving with personal interests only.

The famous Jewish scholar Maimonides stated in the code of Jewish law, The laws of knowledge 7:7-8 to feel a sense of outrage because someone refused to lend you a sickle is also revenge;

"One who takes revenge against his fellow transgresses a negative prohibition as it is stated, 'You shall not take revenge' (Leviticus 19:18). Even though one does not receive lashes [for transgressing this], it is an exceedingly bad spiritual quality. Rather, it is proper for a person to be easygoing / yielding (Heb. 'ma'avir' = 'passing') in all matters of the world, for to those of understanding everything is empty and vain and not worth avenging.

Rather than pin the blame on Hamas and continue to use that as an escalation point of violence or the Zionist vigilante thugs in Israel going around harassing and beating up Arabs and breaking their property chanting "Death to the Arabs". Christians can make all the excuses for being pro-Zionist should hang their heads in shame, but we are told not to sit in the seat of evil wicked people which in this case are these Zionists.

Psalm 23:1 Happy is the man that does not walk in the counsel of the wicked, nor stands in the Halaka (way) of transgressors, nor sits in the seat of the scornful.

Does this sound like fascist Judaism is self serving? What about Christians who sit with the evildoers the same goes for them. Christianity has its fair share of crimes in its history when its Pastors had one bible in their hand citing a verse from the Pauline fraud and

whip in the other hand to strike the black Hebrew slaves in America. This was common practice in America, where a pastor would beat his slave and then go to teach a sermon.

Did you know that it was the good white Christians that wrote the Black Negroes are Beasts and not at the same level as other white humans?

This was established according to Act of Congress in the year 1900 by CHARLES CARROLL, in the Office of the Librarian of Congress, Washington, D.C.

In placing this book entitled “The Negro a Beast” or “In the Image of G-d” upon the American market, we do so knowing that there will be many learned men who will take issue with us, but while we are fully convinced of this, we are also convinced that when this book is read and its contents duly weighed and considered in an intelligent and prayerful manner, that it will be to the minds of the American people like unto the voice of G-d from the clouds appealing unto Paul on his way to Damascus. We have not brought out this book hurriedly and without due thought and consideration,

There are just two schools of learning in the world to-day, which propose to explain the existence of the heavens and the earth, with all the phenomena which characterize each.

These are (1) The Scriptural School of Divine Creation, (2) The Atheistic School of Natural Development. In discussing this subject Mr. Haeckel says: “As is now very generally acknowledged, both by the adherents of and the opponents of the theory of descent, the choice in the matter of the origin of the human race, lies between two radically different assumptions: We must either accustom ourselves to the idea that the various species of animals and plants, man included, originated independently of each other, by the supernatural process of a divine ‘creation,’ which as such is entirely removed from the sphere of scientific observation—or we are compelled to accept the theory of descent in its entirety, and trace the human race, equally with the various animals and plant species, from an entirely simple primeval parent form. Between these two assumptions there is no third course.”—*The Evolution of Man*, Vol.II., pp, 36, 37.

The White, the highest, and the Negro the lowest of the so-called “five races of men,” present the strongest contrast to each other in their physical and mental characters; and in their modes of life, habits, customs, language, manners, gestures, etc. White is not a color; neither is black a color; yet the white, colorless complexion of the white, finds its strongest contrast in the black, colorless complexion of the Negro. The long, fine, silken hair of the White, finds its strongest contrast in the short, coarse, woolly hair of the Negro. Each individual hair of the white “is cylindrical.” Hence, “its section is circular.” In striking

contrast to that of the white, each individual hair of the Negro "is flattened like a tape." Hence, its section is oval." (Haeckel, *Hist. of Creation*, Vol. 11, pp. 414, 415.) The relatively short, broad skull of the White, finds its strongest contrast in the long, narrow skull of the Negro. This length and narrowness of the Negro's skull is a character of the ape. Winchell says, "A certain relative width of skull appears to be connected with energy, force, and executive ability." Hence the narrowness of the Negro's skull denotes his lack of energy, force, and executive ability. This is significant, when considered in connection with the design of G-d in creating man, and the great task to which he was assigned in the Creation. Winchell quoting from the measurements of Broca says, (1)

Biblical and Scientific Facts Demonstrating that the Negro is not an Offspring of the Adamic Family, Chapter II

The White, the highest, and the Negro the lowest of the so-called "five races of men," present the strongest contrast to each other in their physical and mental characters; and in their modes of life, habits, customs, language, manners, gestures, etc.

Such is this racist writing of the white gentiles!

If you want to read "In the image of G-d by Charles Carroll I have it and can supply it so you can see what Christians think of you Negroes the chosen ones as just beasts. Those of you who support or go to any kind of church system should really hang your heads in shame for not going back to the Torah for what these people did to us.

What about these wicked pastors going around to Indian reservations forcing Indians who had two wives to divorce one and put her away while G-d commands polygyny.

²An act of cruelty in the name of the false white Jesus

THE INDIAN CHIEF AND HIS TWO WIVES This chief at the time of his conversion to Christianity was living with two wives. The one first married was now aged, blind, and childless. The other was young, attractive, healthful, and the mother of one fine boy. One of these wives the missionaries required him to put away, as an indispensable requisite to baptism and church-membership. The old chief, after careful deliberation, could not decide which one to repudiate. The first he was bound by every honorable motive "to love and to cherish," especially on account of her age and infirmity; while the other was devotedly attached to him, and was the mother of his only child and heir, which he could not give up, and from which he could not separate the mother. He, therefore, submitted the case to the missionaries to decide which one of them he should put away. They decided against the younger one.

² The History and Philosophy of Marriage, Or, Polygamy and Monogamy Compared". It was originally published in 1869 by a (non-Mormon) "Christian Philanthropist", named James Campbell

And as he was old himself and his other wife was barren, that she must also give up her child. This mandate was obeyed with martyr-like fortitude, which nothing but the strongest religious motives could have inspired; opposed, as it was, to every natural sentiment of love and honor. And thus, in one hour, was that young wife and mother deprived of her husband, her child, her character, and her home; and sent away a bereaved and lonely outcast into the wide world. The report which the missionaries themselves gave of this affair closed by saying that the repudiated wife and bereaved mother soon died inconsolable and broken-hearted.

These Pastors were pushing on their pagan religious system on to everyone that came their way. No wonder even today many are so confused at to what is right and what is wrong when clearly we have the Tanak to decide!

What about Islam? The same story is there where now many of these Palestinian Muslims are dying struck with Israeli bombs and missiles but the Muslims roundabout want them to be crushed and all be killed to eradicate the Palestinian problem once for all. This is the sentiment of the Saudi Arabians the so called Bastian of Islam, which made a secret deal with Israel to fly over its airspace to strike Iran.

While the hypocrite Kurdi Muslims take over oil fields in the North of the Iraqi country after Isis has toppled areas controlled by the Noor'i Maleki's government. One can easily see Islam is also self serving and bigoted.

So then this leaves us with our Torah government given to us by the Most High in which we are to serve Him using the Torah as our Template. And it is this that we must do and stand against evil and stand up for justice whether that justice is for Muslims, Christians or even the Jews.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

How will the end come and why is the world hiding the identity of the true Y'sra'elites? Will there be a rapture or marching back on foot? What happens if we die in our exile? And many more questions answered. The time has come to expose the errors of others.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a person who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers, I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will

show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage with Torah monogamy is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Em

Chomah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melekzadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be Melekzadek this is not the truth. Only the Kings of Israel can right hold that title, its not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah.

I want you all to benefit and to receive what rightly belongs to you.

This book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
